To whom it may concern

JX Metals Trading Co., Ltd.

Donated emergency food to Food Bank

JX Metals Trading Co., Ltd. (President & CEO : Suzuki Shoji ; the below “The company”) has donated emergency food stored in the office to Food Bank in Tokyo.

Background

The company always stores emergency food in prepare for disasters in the office. The food should be replaced to new one in a certain period of time on regulations. From the views of SDGs “11. Sustainable cities and communities” and “12. Responsible consumption and production”, it would be thought about that emergency food close to expiration date would be provided with people who need food instead of disposal through Food Bank to reduce food loss.

Donation to

Food Bank Meguro

The group conducts social welfare activities such as offering ingredients at free of charge to people who are difficult to get enough meals like single parent, unemployed through regular food distribution events.
